September 2016 Class Arrangements

Dear Parents and Carers,

I am writing to let you know about class arrangements for next year (see list overleaf). The class groups are staying the same, apart from the new Reception classes which are a mixture of both Nursery classes and children new to the school. We have been able to increase the amount of learning support in each class so that every class up to Y5 has at least 2 adults all day every day. Additional support has been put in classes where individual children have additional needs. Additional needs will be met by a combination of all adults in the class rather than having assigned 1:1 workers.

You will have an opportunity to meet your child's new teacher at open evening on **Wed 13th July**. This will be slightly different from previous years, in that there will be a talk in your child's *new* class at 4pm, followed by open drop in at your child's current class to have a look at the work they've been doing this term. These talks will be repeated the following day at 3:20 for those of you with more than one child in the school. If you have more than two, you can arrange a separate time to come and see any other teacher.

Mrs Rodin, Mrs Bailey and Mrs Coll will all be leaving us at the end of term 6. Mrs Saunders will be returning in term 6 (working alongside Mrs McCormack to ensure continuity for the nursery children) and then she will be retiring, possibly at the end of term 6, possibly soon after the start of term 1. Until she retires, she will continue to provide additional teaching in the Nursery.

Mrs Coll has been with us for a year and we are very grateful for all the hard work she has put in to Year 3.

Mrs Saunders has been at Headley Park for an incredible 32 years, Mrs Bailey for 17 years and Mrs Rodin for 25 years – between them they have made an enormous contribution to the school over the years and they will be greatly missed. We wish Mrs Saunders a very happy and relaxed retirement and wish Mrs Bailey and Mrs Rodin the very best in their new jobs, both teaching in schools nearer where they live.

Miss Blackman will be returning at some point next year (after Christmas), possibly part time. We will confirm nearer the time what her responsibilities will be, but she won't take over as any class' main teacher until the following September, in order to maintain maximum continuity for the classes.

If you have any questions about any of the arrangements please come and speak to me or contact me at mfredrickson@headleypark.bristol.sch.uk

With best wishes,

Miriam Fredrickson
Head Teacher
