Dear Parents and Carers,

This Thursday, as part of the KS2 Science topic 'Animals, including Humans', we'll be studying puberty.

We follow the Channel 4 programme 'Living and Growing' and will only be focusing on Unit 2: Changes.

The focus is to introduce children to the physical and emotional changes that occur during puberty.

If you have any questions or concerns about the content of this unit, please contact your child's class teacher.

Regards,

Miss Murphy and Mrs Robinson
