

Dear Parents/ carers,

As part of our computing curriculum, we have organised a Lego Robotics Workshop for **FRIDAY 3rd FEBRUARY**. This promises to be highly engaging, packed full of learning and lots of fun too!

Using Lego software the children will be taught how to write an algorithm; how motion sensors work; how pulleys and gears work; program an alligator robot, which they will build themselves as well as taking part in other practical challenges.

We are asking for a contribution of £6.00 to cover the cost of what we're sure you'll agree is an informative and exciting learning experience.

Please detach and return the form below to your child's class teacher by **FRIDAY 27th JANUARY**.

Many thanks for your support,

Miss Murphy and Mrs Pryde

I give permission for my child _____ to attend the Lego computing workshop at school.

Please tick as appropriate:

I have included the £6.00 contribution to cover the costs of the workshop

I have paid on EZ Pay
